Pennies for Charity

Penny's is lovingly named after our Chihuahua, who we adore and would do anything for. Penny was a rescue dog, like so many of the animals in shelters, that simply need a good home from those who can adopt and love them forever. As forever pet owners, we are happy to support the Cape Coral Animal Shelter and pet related events. It only takes pennies per day from our local residents to support a good cause.

As a community, we can make a difference. We encourage everyone to donate their pennies to support the many pets that reside in our animal shelters while they await their forever homes.
