Pennies for Charities

Penny's Coffee Bar is lovingly named after our Chihuahua, who we adore and would do anything for. Penny is our rescue dog, like so many of the animals in shelters, that simply needed a good home with a family who will love them forever. As forever pet owners, we are happy to be animal advocates and support pet related causes and events. It only takes pennies per day from our local residents to support a good cause. As a community, we can make a difference.

If you are a pet lover and would love to adopt a pet family member, we hope you will visit our local animal shelter first. We also encourage everyone to donate their pennies to support the many pets that reside in our animal shelters while they await their forever homes.
